The Law

# of Cycles

This book takes place in the Rebellion storyline, roughly one month after Homura transfers in.

★

Please note that they act out of character!

★

Please enjoy after taking note of the above items!

Here we go, everyone!
Ready, set...!
PV PUELLA MAGI HOLY QUINTET!
Kyoukooo~ You keep messing up the line.
We can't seem to get in synch...
Huuuh? I-I can't be...

It's "Puella Magi Holy Quintet".
I'm not so sure about that one...
No way.
MAMI! Let's go with a simpler name! How about "Mitaki-hara's"!?
AHHH, DAMN! IT'S TOO HARD TO SAY!
バキ!!

Pu...
Pwel...
Pwehla Ma...

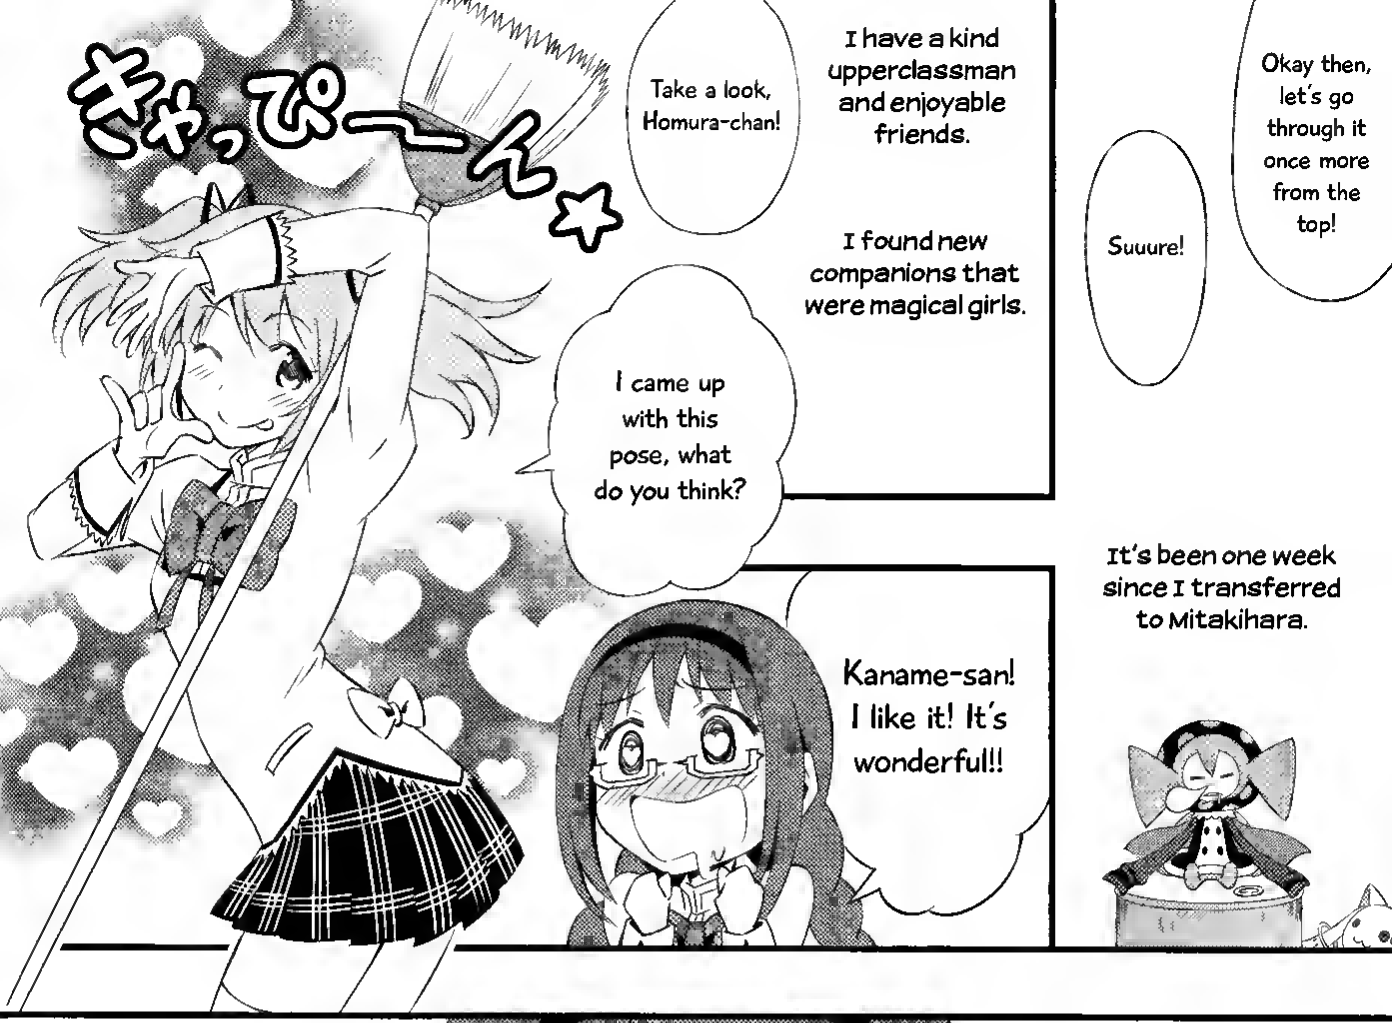
Don't you think that's the true essence of a magical girl story!?
Magical girls overflowing with personality join forces...
and fight for love and peace...

Now that Akemi-san's joined us, we reached the group of five that I was hoping for!

Is there a need for us to go out of our way to practice this after school?
spin spin
Well, whatever.
It's not like we're in a club or anything.

She's been like this ever since the transfer student showed up.
Sparkle sparkle
Mami-san looks happy.

The victory pose is a big deal! We are magical girls, after all!
I think it's important to practice, too!
All of us need to have charming and cool poses!
We need to perfect our teamwork in order to adequately display the power each one of us has.
It's important to work on our formations and victory poses.
It has improved our morale in battle, you shouldn't take it too lightly.
I'll give it my best!
Ramen tastes even better after practice.
You don't really hate this sort of stuff, do you, Sakura-san?
Kyouko-chan!
... Okay, fine. If we're gonna do this then we need some ridiculously cool poses!



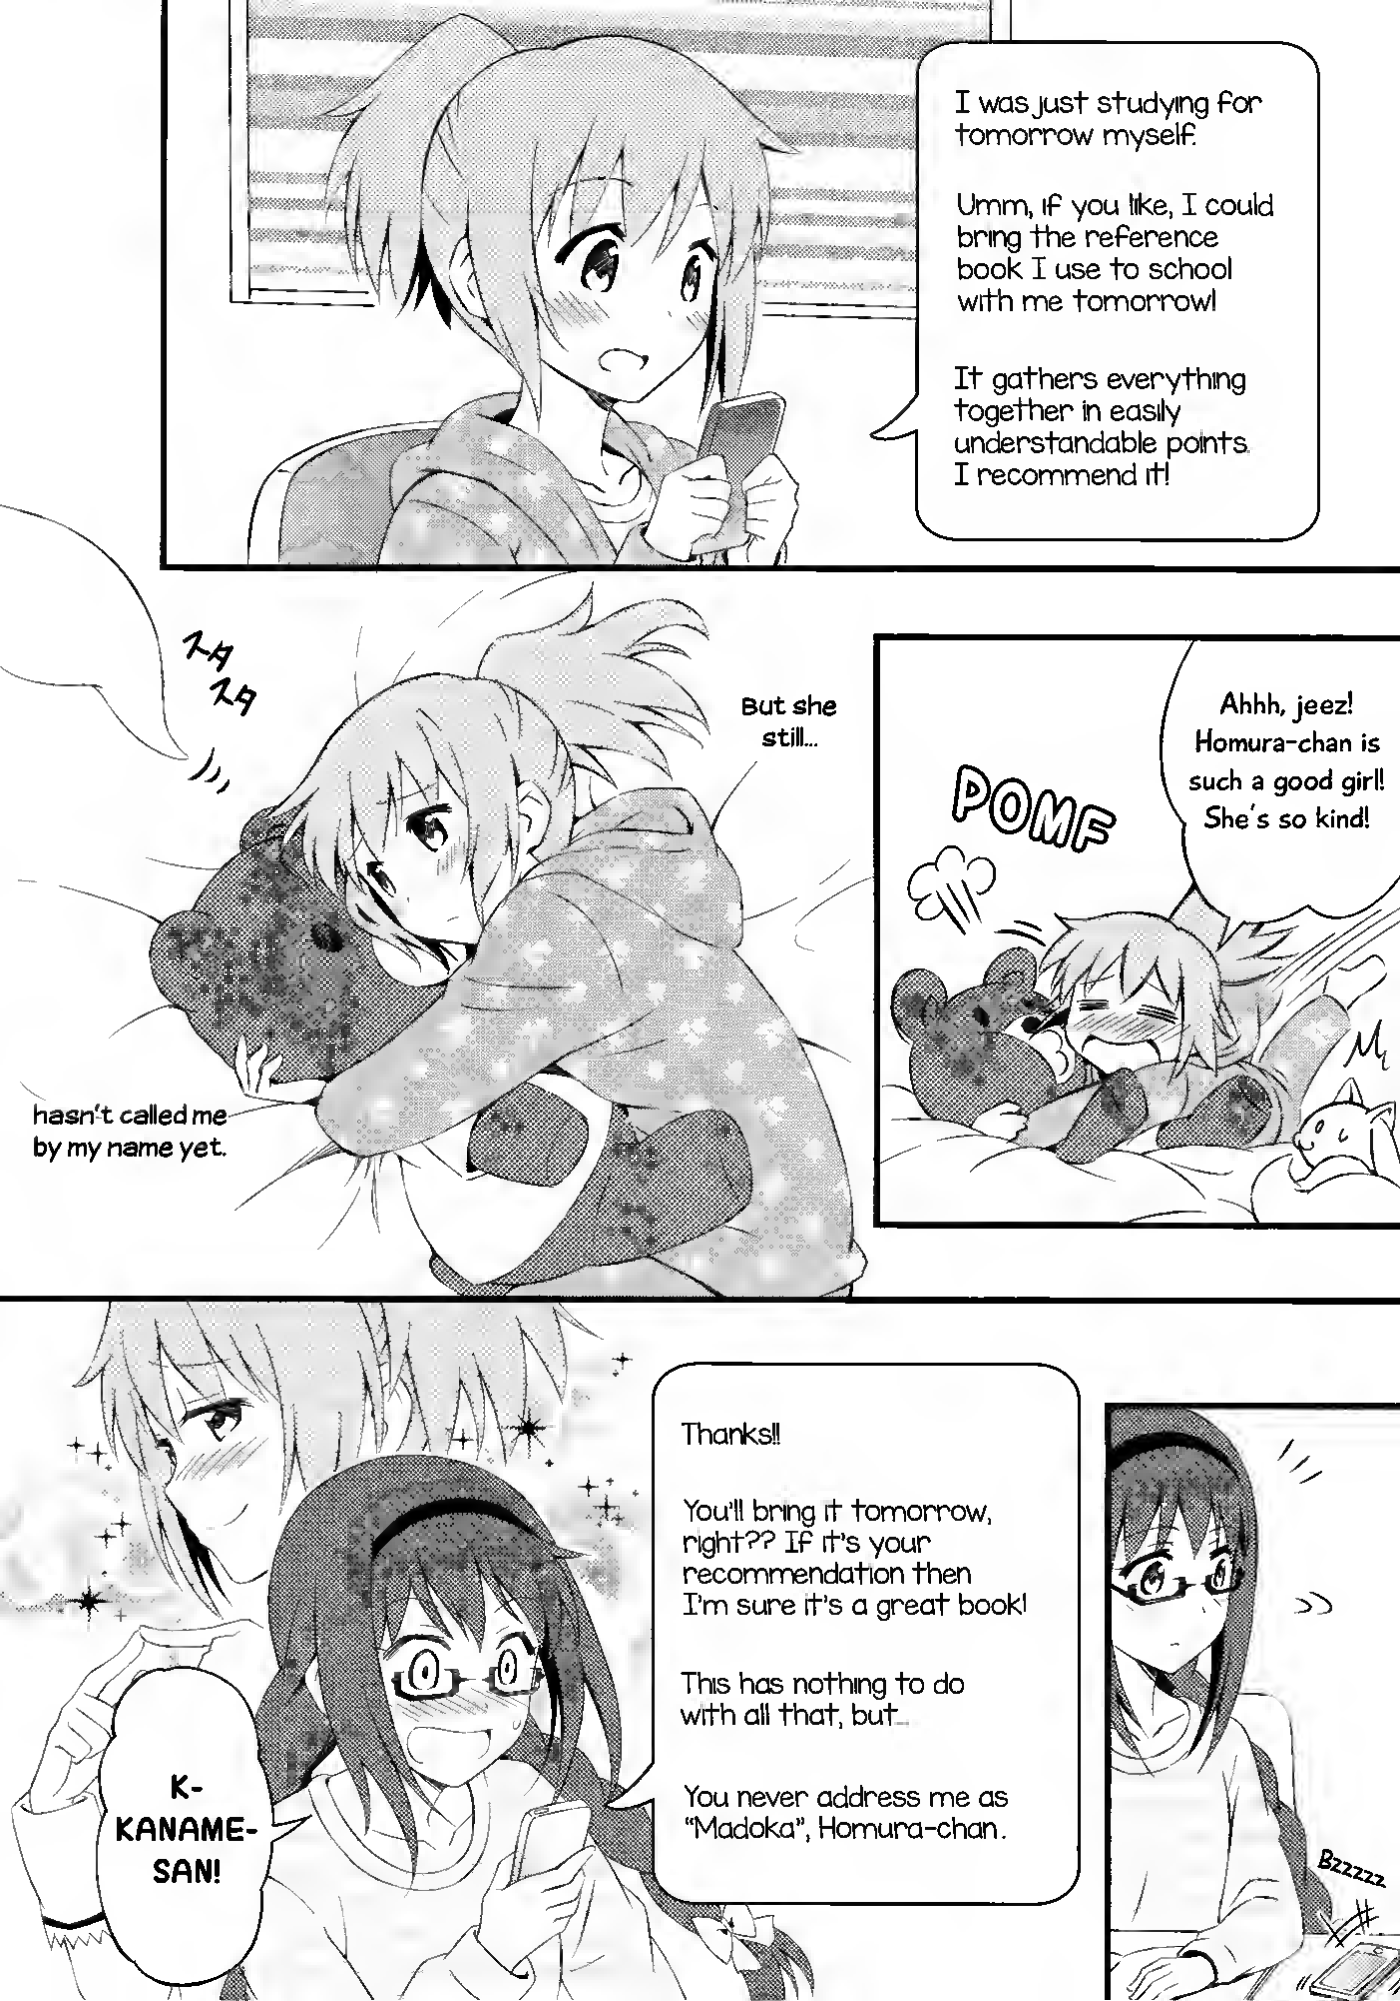
きゃっぴーん☆
Take a look, Homura-chan!
I have a kind upperclassman and enjoyable friends.
I found new companions that were magical girls.
I came up with this pose, what do you think?
Kaname-san! I like it! It's wonderful!!
Suuure!
Okay then, let's go through it once more from the top!
It's been one week since I transferred to Mitakihara.

I love Kaname-sa— er, no... I love this city.
Ahahaha, Sayaka!! That's an erotic pose!
Come you, girls! You need to take this seriously!
Ah! I came up with one, too! How's this?
Really? Tehehe!
There are times when I feel depressed, but...

HOMUFUL

~Homura-chan appears to be living a fulfilling life~

Bzzzzz
!
You still awake?
I finally finished the English homework, but I'm getting nowhere with preparing for tomorrow's lessons.
Are you done yet, Homura-chan?
Kaname-san...
She said she was bad at English, but she's still giving it her best effort.



I was just studying for tomorrow myself.
Umm, if you like, I could bring the reference book I use to school with me tomorrow!
It gathers everything together in easily understandable points. I recommend it!
But she still...
hasn't called me by my name yet.
Ahhh, jeez! Homura-chan is such a good girl! She's so kind!
POMF
Thanks!!
You'll bring it tomorrow, right?? If it's your recommendation then I'm sure it's a great book!
This has nothing to do with all that, but...
You never address me as "Madoka", Homura-chan.
K-KANAME-SAN!
Bzzzzz

A followup attack!?

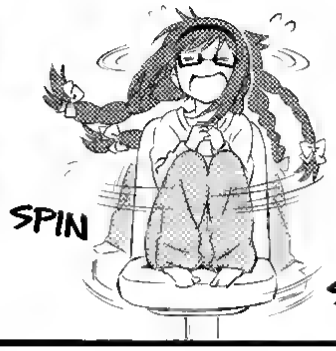
I'm not sure exactly why, but...

When I try to say her name my chest swells with a sudden rush of emotions.

Am I... strange?

Wh-What do I do!? Did I upset Kaname-san? I'm such a fool for not being able to say my own friend's first name!

I'm sorry I'm such a cowardly foureyes, Kaname-san!



No, don't worry!!
I should... umm... sorry.

See you tomorrow!

Sorry for asking weird stuff all of a sudden, Homura-chan! Don't mind what I said earlier.

I hope no Nightmares show up tonight.

I'll see you tomorrow.

Tehehe! Well, that's fine.

Girls! Can you hear me? A Nightmare appeared!

Kyouko! Wake up! Kyoukoooo!
Near the park at the center of town. Let's meet up at the park's entrance to start!
Akemi-san probably won't know where to go, so I'll meet up with her.
Tomoe-san! Where did it show up?
A Night-mare!
This is not che-ese ...
Bebe, give me that bra, please.
We need to get going too!
Okay!
I knew I could rely on you!
I'll be fine! I have the general layout of the city memorized!
We'll be waiting for you at the gathering spot.
There is a Nightmare!
Everyone's here now.
Sorry to keep you waiting!

That thing is tonight's Nightmare....

Jeez...

It's raging about however it pleases.

Let's finish this up!

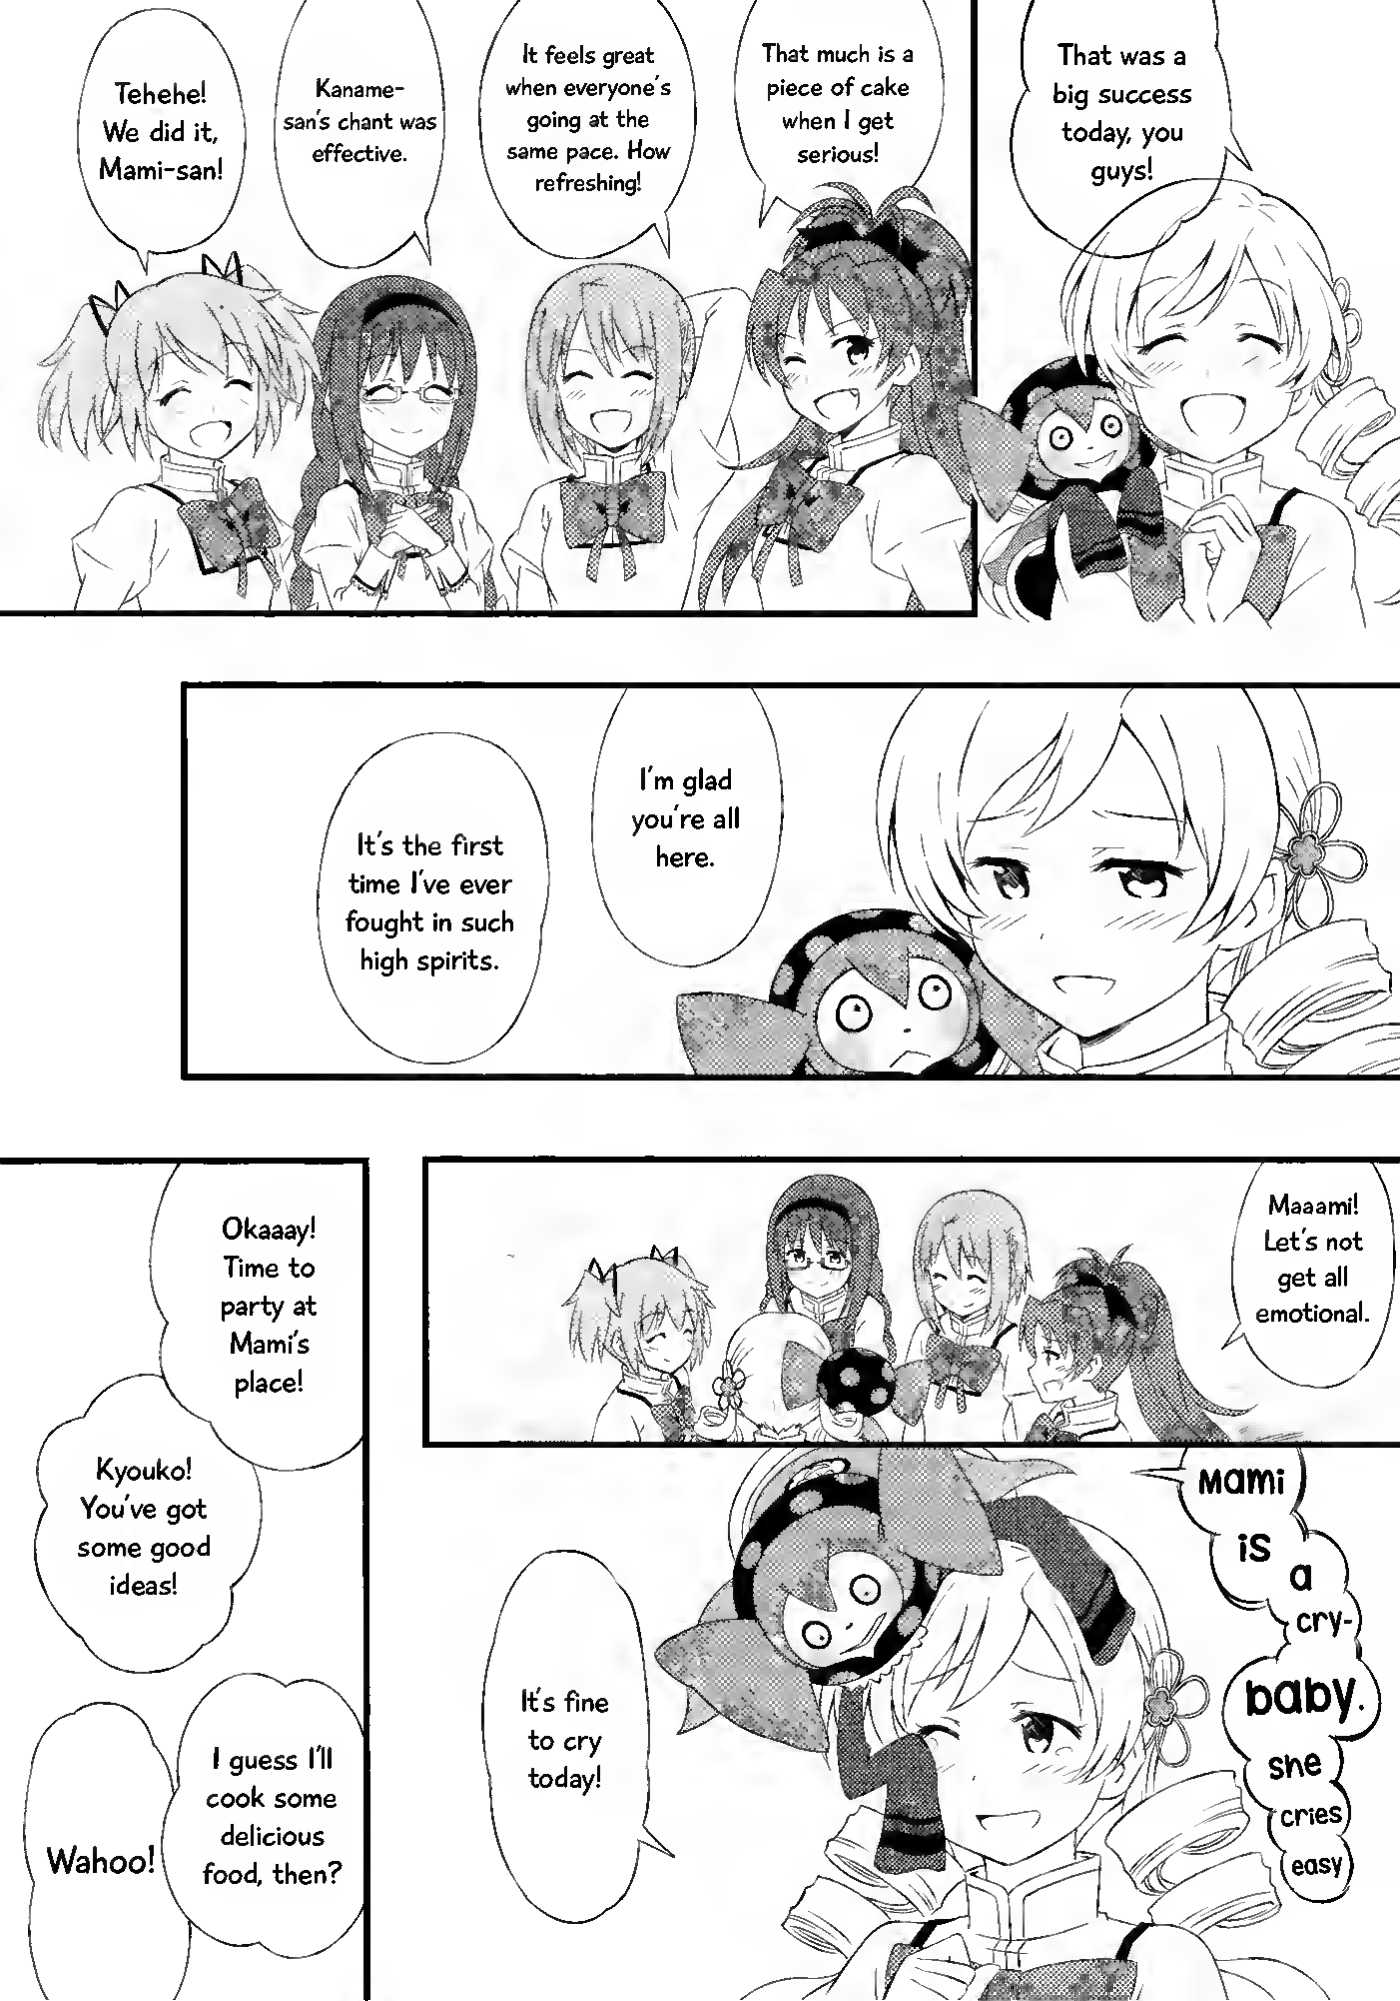
Show me the results of your practice, girls!

LEEET'S GOOO OOOO!

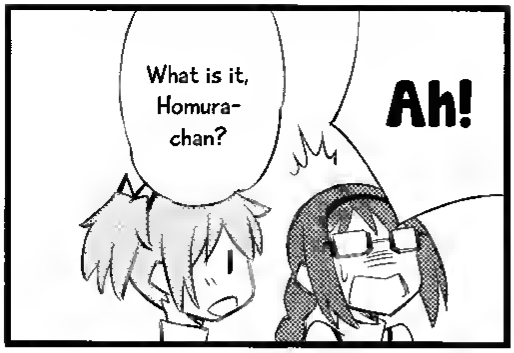
PUELLA MAGI HOLY QUINTET!

Pfffhahaha! What's with you Madoka? You really make it look like we're in a club!
Homura-chan...
YEAH!
Okay everyone, here we go!
Yes, that was plenty enthusastic!
Let's give it our best, Kaname-san!
Mami-san, let's focus and give it one more try!
Ahhhhh! Mami said teamwork was important!
YEAAAHHH!!

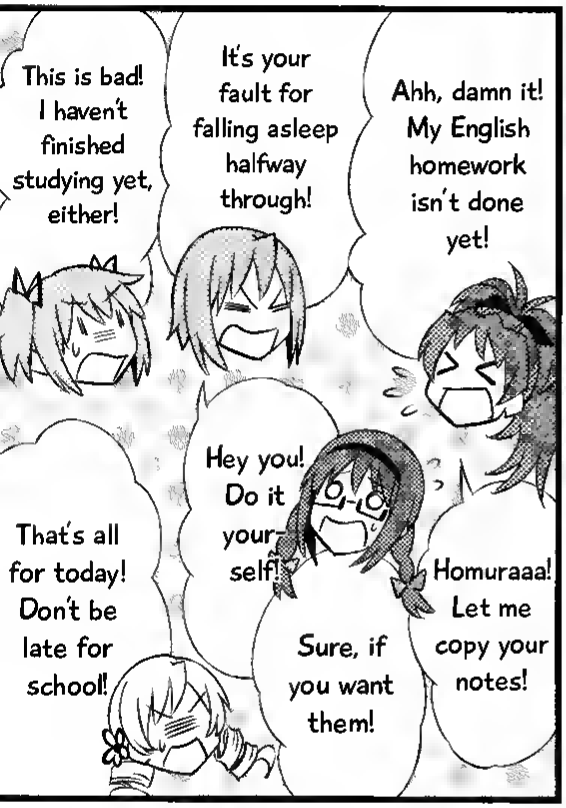
PUELLA MAGI HOLY QUINTET!



Tehehe! We did it, Mami-san!
Kaname-san's chant was effective.
It feels great when everyone's going at the same pace. How refreshing!
That much is a piece of cake when I get serious!
That was a big success today, you guys!
It's the first time I've ever fought in such high spirits.
I'm glad you're all here.
Okaaay! Time to party at Mami's place!
Kyouko! You've got some good ideas!
Wahoo!
I guess I'll cook some delicious food, then?
Maaami! Let's not get all emotional.
It's fine to cry today!
Mami is a cry-baby. She cries easy



What is it, Homura-chan?
Ah!



This is bad! I haven't finished studying yet, either!
It's your fault for falling asleep halfway through!
Ahh, damn it! My English homework isn't done yet!
That's all for today! Don't be late for school!
Hey you! Do it yourself!
Sure, if you want them!
Homuraaa! Let me copy your notes!

The tension you have after staying up all night is frightening.
We straight up forgot...
... IT'S A WEEK DAY!

... a question on the point I was making today.
It almost feels as if fighting with everyone until dawn was a dream...

tap tap

What do I do...?
She called on me after I didn't know it and was trying to skip over it!
U-Um... The auxillary verb you're supposed to put in there would be ..

Y-Yes!
Kaname-san!
ガタッ

Yes, that's correct!
It's "MUST"!

must

NOD
Continuing on, let's go with Sakura-san for question #2!
Ehh? Me!?
Thanks!

sigh

I bought a nice reference book thanks to you, Homura-chan.
Well, there are a lot of them, so it's tough to figure out which one is best to buy.
Yep! But now I'll be able to study and review better!
After school
Thank you.

Today

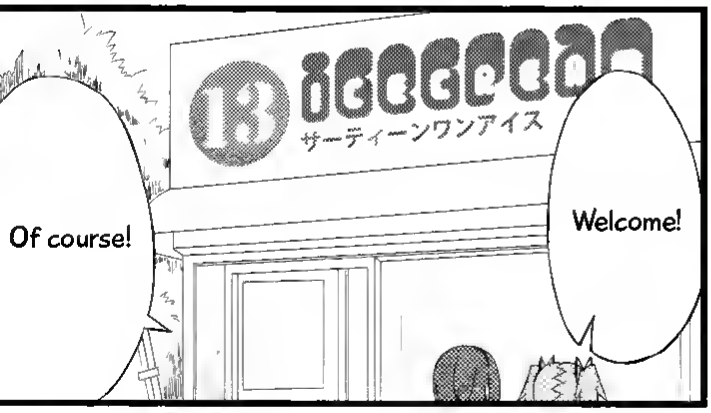
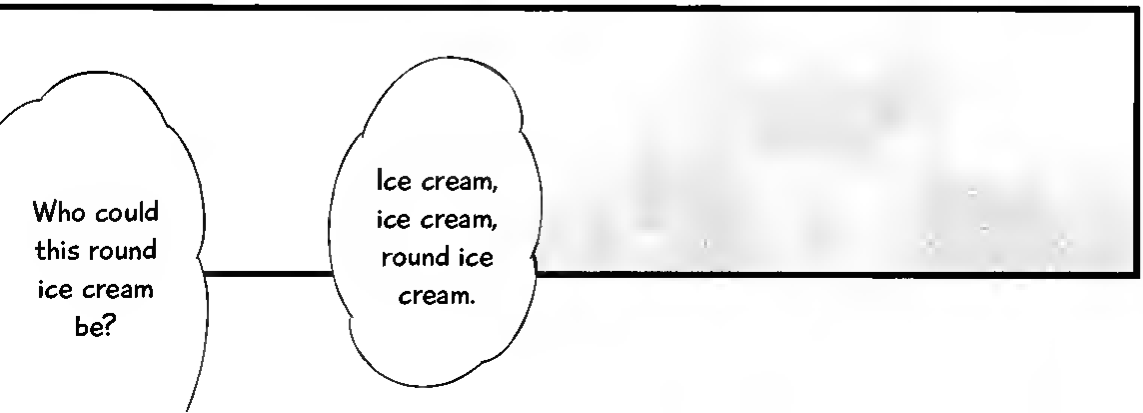
Since we're already out here, would you come along with me for a little longer?

Oh, I'd love to go any time!
Thanks for coming along shopping with me today.
It feels like the first time the two of us went out somewhere together.



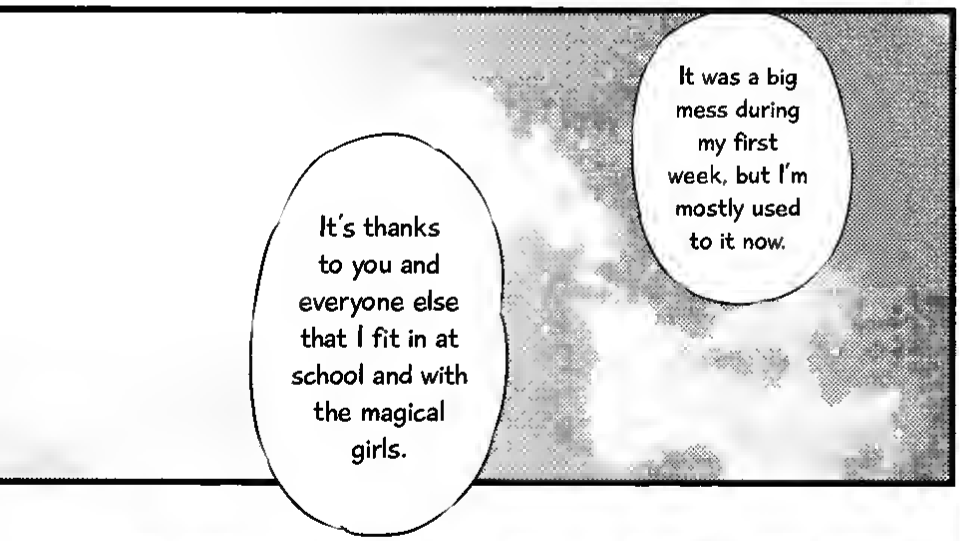
31 アイスクリーム
サーティーンワンアイス
Of course!
Welcome!



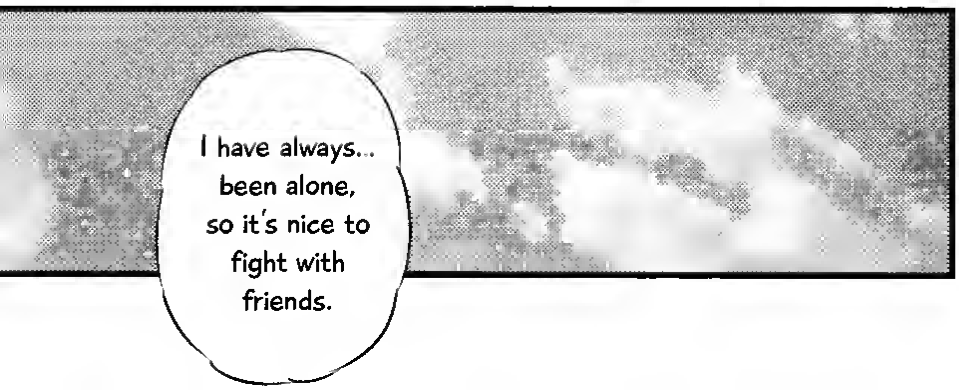
Who could this round ice cream be?
Ice cream, ice cream, round ice cream.

Eat up!
I have sweet dreams when I have melon flavored ice cream!
Round round round!
Is the ice cream Kaname-san?
Noooope!

Hehe!
Tehee!



It was a big mess during my first week, but I'm mostly used to it now.
It's thanks to you and everyone else that I fit in at school and with the magical girls.



I have always... been alone, so it's nice to fight with friends.

Are you used to your current lifestyle, Homura-chan?
It's not too tough being a magical girl while going to a new school, is it?

This hectic way of life may not be so bad...
I enjoy myself a lot every day, it's fulfilling.
I'm glad!
Ever since I heard a transfer student was coming I wished that I could be friends with them.
That's why you and me becoming friends
makes me super happy!
... Me too!

Ah, watch it!
SHOOOT!

Are you okay, Madoka? Are you injured?
No, I'm fine.
Thank goodness.
You there! This isn't the place for horsing around with a ball. Apologize to her!
We're sorry.
Now don't do it again.

It's fine! As long as you're okay, Kaname-san!
Thank you, Homura-chan, for protecting me.
Sorry our ice cream's ruined.

Homura-chan... you're very beautiful!
